2019 Junior 4-H Camp Class Request Form

Name (camper / err) Age Gender	Name (Camper / CIT):	Age:	Gender:	
--------------------------------	----------------------	------	---------	--

Section I: Class Registration

Campers and CITs will take four classes, but should rank twenty classes from the list of choices below with #1 as the top choice. Classes are assigned on a first-returned, first-assigned basis, so return all forms and the balance due as quickly as possible. Parents/guardians should discuss class choices with participants before completing the form. Due to risk management concerns, participants will not be allowed to make class changes at camp. CIT's take 3 classes and 1 CIT class.

Rank	Class	Office Use
	Advanced Climbing: (Only available to campers 12+ who have previously taken Basic	
	Climbing) This class covers advanced climbing techniques and skills. Campers will learn	
	in-depth information about climbing equipment (harness, ropes, carabineers, etc.) and	
	its uses. Campers will learn the basics of belaying and may have the opportunity to belay	
	upon the completion of necessary skills (learned in the class) and approved by the	
	instructor. Two period-class.	
	Advanced Swimming: Designed for campers who feel comfortable in the water, can	
	swim without guidance, and have already learned several swimming strokes. Campers	
	will learn more advanced swimming strokes and ways to propel themselves through the	
	water.	
	Archery: Utilizing the 4-H Center archery range re-curve and Genesis bows, campers will	
	learn basic archery skills such as bow safety, stance, arrow design, loading, and release.	
	Campers will have multiple opportunities to shoot at stationary targets.	
	Arts and Crafts: Campers will learn creative craft ideas and make crafts they can take	
	home and share.	
	Basic Horsemanship: Campers will learn to manage and maintain a horse barn and how	
	to provide proper horse are (including deeding, watering, grooming, and conditioning).	
	Campers will learn about various pieces of horse tack (equipment) and the proper care	
	and use of tack. Campers will have opportunities to ride a horse (with instructor control)	
	in the riding ring as well as outside the ring after demonstrating the ability to maintain	
	proper control.	
	Basketball: Campers will learn the basic skills and techniques of basketball including	
	dribbling, passing, and shooting through drills and scrimmages.	
	Beginning Climbing: Using the 4-H Center's 25ft outdoor climbing wall, campers will	
	learn the basics of climbing safety, equipment, bouldering, climbing, and belaying.	
	Campers will have the opportunity to climb 1-2 climbing routes.	
	Beginning Swimming: Designed for campers who do not know how to swim, campers	
	will learn how to become more comfortable with the water, including how to submerge	
	their head, water safety, the basics of floatation, and simple strokes. Games will be used	
	to help campers get used to their new swimming skills.	
	Canoe: Campers will learn about paddling and water safety, the parts of the	
	canoe/paddle, canoe types, and paddling strokes. Campers will practices paddling	
	strokes and how to recover a capsized canoe (in shallow water).	
	Challenge Course: Campers will learn to work together in small groups to overcome	
	various types of initiatives and challenges, using teamwork, cooperation,	
	communication, and problem solving.	

CIT: Counselors-In-Training will all be assigned to this class to learn the responsibilities of CITs and future camp counselors. If you were 13 years old by January 1, 2019, this class is for you.	
for you.	
CSI: (Crime Scene Investigation) Campers will learn the basics of crime scene	
investigation and law enforcement through hands on experiences. Activities may include	
dusting for finger prints, tracking foot prints, and how to search for and properly obtain	
evidence.	
Fishing: Campers may catch a variety of species including smallmouth bass, largemouth	
bass, catfish, striped bass, perch, bluegill, and more in Smith Mountain Lake.	
Flag Football: Campers will learn the skills of the game of football including passing,	
receiving, offense, defense, and strategy while playing flag football.	
Gardening: Campers will learn the basics of gardening, learn about pollinators, and	
complete a variety of garden projects.	
Golf: Campers will learn the fundamentals and fun of golf. The class features putting	
instruction, learning the dynamics of the golf swing and well as distance control and	
chipping, and working on the use of drivers on the golf course.	
High Ropes: (Only available to campers 12+). Participants will learn safety techniques,	
belaying skills, develop self-confidence and team building skills, all while climbing to new	
heights. Campers will have the opportunity to traverse the 5-station High Ropes Course,	
afterward rappelling down an access pole. Two-period class.	
Junior Chef: Campers learn a variety of cooking techniques then apply what they learn to	
create (and enjoy) their own food masterpieces.	
Kayak: Using small, plastic kayaks, campers will learn about paddling and water safety,	
the parts of the kayak and paddle, kayak types, and paddling strokes. Campers will	
practice paddling strokes and how to recover a capsized kayak (in shallow water).	
Leathercrafts: Hammer, stamp, stain and be creative! Use your imagination to create	
leather items like bookmarks, keychains, and more! This class lets campers develop new	
leatherworking skills that could turn into a hobby that lasts a lifetime.	
Mad Scientist: Campers will conduct a variety of fun scientific experiments as they	
channel their inner "Mad Scientist!"	
Multimedia/Tech World: Campers will explore the fun and exciting world of technology	
through various computer programs and tablet applications. Participants will also learn	
basic skills for using digital video cameras including filming and editing to make the camp	
DVD.	
Outdoor Adventures: Campers will learn the basics of hiking, backpacking, camping,	
orienteering, knot tying, and campsite setup. Campers will also have an opportunity to	
participate in an overnight camp out at the 4-H Center's Far Point. Campers will learn	
about their natural surroundings including basic forestry, local wildlife, and lake ecology.	
Outdoor Cooking: Campers will experience what it's like to utilize the resources around	
them to prepare and enjoy meals in the great outdoors!	
Performing Arts: Campers will learn fundamentals of expressive arts, including drama,	
acting, and dance. Campers will be encouraged to develop their own way of expressing	
themselves through these arts. Campers will have the opportunity to perform during the	
4-H Center's Talent Show.	
Riflery: Utilizing the 4-H Center's Indoor shooting sports complex under strict	
supervision, campers will learn the importance of shooting safety. Campers will be	
introduced to .22 caliber riflery. Campers will have multiple opportunities to shoot at	
stationary targets.	
Robotics: Utilizing LEGO Mindstorms Robotics sets, campers will learn to use this leading	
technology while building robots that will be tested to complete and overcome a series	
of challenges. The 6-hour class will culminate with a mini-tournament! Two-period class.	

Small Animal Science: Campers will learn how to manage and maintain a small animal barn and how to care for animals such as calves, goats, sheep, and rabbits including feeding, watering, grooming, and conditioning. Campers will have the opportunity to handle and work with small animals.	
Soccer: Campers will learn the basics of soccer including dribbling and passing through drills and scrimmages.	
Tie Dye Basics: Campers will learn how to design their own clothing with bright colors and patterns through tie dye. Bring your own items to tie-dye!	

Section II: Top Choices

Please list your top ten class choices below:

1)	6)
2)	7)
3)	8)
4)	9)
5)	10)

Roommate Request – only ONE roommate request is allowed

Please remember that we will try to make room assignments based on this preference form, but there are only so many beds in each room.

Roommates will be assigned on a first-come, first-served basis, and only mutual requests will be honored. Please note that a roommate request is a request and is **NOT guaranteed.**
